

PRINCE KASAUDHAN

FULL STACK & MOBILE APPLICATION DEVELOPER

Lucknow, UP | +91-6307550183 | kasaudhanprince86@gmail.com | linkedin.com/in/prince-kasaudhan

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with hands-on expertise in React.js, Node.js, React Native, and cloud technologies. Skilled at building scalable, high-performance web and mobile applications with clean architecture across the full development lifecycle—from database design to production deployment in agile environments.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, Java, C++, SQL, HTML5, CSS3

Frontend & Mobile: React.js, Redux, React Native, Android Studio, UI Optimization, Responsive Design

Backend & Databases: Node.js, Express.js, RESTful APIs, JWT Authentication, MySQL, MongoDB, PostgreSQL

Cloud & Tools: AWS, Git, GitHub, Postman, VS Code, Query Optimization, AsyncStorage

PROJECTS

E-Commerce Web Application | React.js, Node.js, Express.js, MongoDB, JWT

- Built a scalable full-stack e-commerce platform featuring product listings, cart management, and order flows.
- Designed secure RESTful APIs with JWT-based authentication and granular role-based access control.
- Optimized frontend rendering and minimized latency using Redux state management and component lifecycle architectures.

Fitness Tracker Mobile App | React Native, Android, iOS, AsyncStorage

- Developed a high-performance cross-platform mobile app for iOS and Android using React Native.
- Integrated an offline-first strategy using AsyncStorage to smoothly persist user activity logs without internet connectivity.
- Designed highly responsive navigation structures and intuitive data visualization dashboards.

SQL Database Management System | MySQL, PostgreSQL, Query Optimization

- Engineered fully normalized relational database schemas, completely eliminating data redundancy and ensuring integrity.
- Implemented comprehensive indexing configurations and query tuning to drastically accelerate execution times.

EDUCATION

Bachelor of Technology – Computer Science & Engineering

Expected 2027

Shri Ramswaroop Memorial University (SRMU), Lucknow

CERTIFICATIONS

- AWS Certified Solutions Architect – Associate
- Frontend Developer & Certified JavaScript Programmer
- Python Programming Certification

ACHIEVEMENTS & LANGUAGES

- Techkriti '26 MUN:** Delegate in UNSC at IIT Kanpur.
 - Hackathons & Open-Source:** Active technical contributor.
- Languages:** Hindi (Native), English (Professional)
